### Synchronised all-wheel steering

- High sweeping accuracy also when turning thanks to optimal manoeuvrability.

### Ergonomic and comfortable cab

- Complete control in all work phases and excellent driving conditions.
- With 3 authorised seats without centre tunnel for easy entry.
- Meets the highest standards in the area of ergonomics, safety and comfort.

### Patented hydraulic system

- For the automatic regulation of the ground pressure of the central brush.
- Ensures constant brush load on the ground on all surfaces.
- For maximum sweeping accuracy and minimum wear of the brush.
