MC 150

Compact, powerful, full-suspension: the MC 150 is the comfortable, economical multi-purpose sweeper with a two-seater cab and all-wheel drive in the 3.5 t class.

Made in Europe

HVO APPROVED

Order no.	1.442-237.2

- Quick start function
- Year-round use
- All-wheel drive with traction control (differential lock optional)

Technical data

EAN code		4066529041425
Drive type		Diesel
Traction drive		All-wheel drive
Motor manufacturer		Kubota
Motor rating	**kW**	48
Displacement	**cm³**	2434
Cylinder		4
Fuel tank volume	**l**	50
Exhaust emissions standard		STAGE V
Driving speed	**km/h**	0 – 40
Working width with 2 side brushes	**mm**	2450
Working width with 3 side brushes	**mm**	2660
Waste container	**l**	1500
Water tank	**l**	0 – 150
Fresh water tank	**l**	195
Wheelbase	**mm**	1700
Permissible total weight	**kg**	3500
Dimensions (L × W × H)	**mm**	3774 × 1220 × 1979

This machine requires instruction.

Equipment

Heating and air-conditioning unit

Compact 3.5 t class

- Fully suitable for pavements thanks to the low permissible total weight of 3.5 t.
- Best-in-class manoeuvrability and 100% directional stability to make work in tight areas easier.
- Large potential user group, as it can be driven from driving licence class B.

Best ride comfort thanks to full-suspension chassis

- Full-suspension, hydraulic chassis with independent wheel suspension for low-fatigue transport journeys.
- Automatic level control for consistent suspension comfort in any load condition.
- 1999 mm vehicle height for hassle-free deployment in multi-storey and underground car parks.

Sophisticated brush system

- Cans, bottles and other larger items are picked up automatically by the suction opening, allowing the driver to better focus on their core tasks and the traffic.
- Individual brush control for sweeping under park benches and in irregularly-shaped areas.
