Type of dirt		Loose dirt
Quantity	**Piece(s)**	1
Weight per product	**kg**	0.3
Dimensions (L × W)	**mm**	600 × 130

Application

Dusting floors
Dusting floors: Move over the area in a pendulum motion, always moving the mop in the same direction.

Properties

- Very high area performance of up to 800 m² per hour
- Good dust binding properties thanks to the open fringes in the central cleaning area
- Very good pick-up of coarse dirt courtesy of the long fringes outside
- With a simple bag system for easy handling
- For use with the corresponding 60 cm dust mop holder

Washing instructions

- Do not wash with other textiles
- Do not use bleach, softener or strongly alkaline detergents
- Washing or drying at high temperatures can damage the fibres
- Thoroughly rinse the textile before washing it
- Please do not dry in the dryer

[1] Compliance with or use of recommended temperatures and detergents. In addition, the use of a dryer, especially at higher temperatures, may reduce the lifetime considerably.
