500 W strong suction power

- The powerful motor vacuums up all loosened particles, hair and dust, leaving nothing behind.

Powerful beater roller

- The strong vibration of the beater roller (180 beats/s) loosens even deeply ingrained and stubborn dirt, mites and their faeces from inside mattresses and other textile surfaces.

Reliable UV-C light

- The integrated UV-C light acts on the surface and reliably neutralises 99.9% of all bacteria and mites without the use of chemicals.
