MIC 35

Intuitive implement carrier MIC 35 with clever quick-change system, comfort cab with panoramic view, as well as an engine that significantly undercuts the STAGE V emissions limits.

Made in Europe

stageVready

HVO APPROVED

Order no.	1.442-251.2

- Powerful, hydraulic all-wheel drive
- Quick change concept for front- and rear-mounted implements
- Year-round use

Technical data		
EAN code		4054278292854
Drive		Diesel
Traction drive		All-wheel drive
Motor manufacturer		Yanmar
Motor rating	kW	26
Displacement	cm³	1642
Cylinder		3
Exhaust emissions standard		STAGE V
Fuel tank	l	41
Driving speed	km/h	0 – 25
Working speed	km/h	0 – 25
Wheelbase	in	1500
Permissible total weight	kg	2500
Weight without accessories	kg	1374
Weight incl. packaging	kg	1374
Dimensions (L × W × H)	mm	3750 × 1075 × 1980

This machine requires instruction.

Equipment
Particle filter
Air conditioning
Heating
Flashing lights
Year-round use

Economical and environmentally friendly drive

- Common rail direct injection and particle filter lower the emission values below the exhaust emissions standard STAGE V.
- For applications in urban green zones.
- Lower fuel consumption protects the environment and lowers the operating costs.

Integrated quick-change system

- Mounting of front implements via standardised coupling triangle.
- Replacement of implements at the rear using quick-change system with hydraulic tilting frame.
- Optional multi-coupler system for fast and drip-free connection of hydraulics.

Maximum operating comfort

- Largest cab in its class (1.45 m^3 air volume), 360° panoramic view, ergonomic and clearly arranged.
- Windows on both sides, lockable storage compartment, USB charging port, bottle holder.
