TORNADO MICROBURST

Ultra-Compact Scrubber

DELIVERING ULTRA-CLEAN FLOORS IN AN ULTRA-COMPACT PACKAGE

Item# TS040-W17-U

Productivity

Cleans and dries floors with the efficiency of a scrubber in a lightweight, easy-to-use package. The intuitive, electronic controls are easy to master with minimal training time required.

Superior Performance

Featuring dual counter-rotating brushes driven by two powerful motors and an efficient vacuum and squeegee system, the Microburst achieves superior cleaning results and water removal to competitive models and is the ultimate upgrade from a mop and bucket.

Compact Design

The compact design and 360° maneuverability are perfectly suited for cleaning in tight spaces, while the small footprint and magnetic lock allows for easy storage and transport.

17.5" — Cleaning Path

1.5/2 hrs — Battery Run Time (REG/ECO Mode)

365/435 RPM — Brush Speed (ECO/Reg. Mode)

67 dB(A) — Sound Level

PRODUCT SPECIFICATIONS	
Model	TS040-W17-U
MACHINE DIMENSIONS	
Dimensions (L x W x H)	17.9" x 13.9" x 46.8"
Weight	40 lbs
Solution Tank Capacity	1.3 gal
Recovery Tank Capacity	2.1 gal
DESIGN CHARACTERISTICS	
Cleaning Path	17.5"
Brush Speed (ECO/ Power Mode)	365/435 RPM
Brush Type	(2) 8.5" Standard Brushes
Down Pressure	45 lbs
Productivity (Theoretical Max)	19,000 sq ft/hr
Sound Level	67 dB(A)
Battery Run Time	1.5 hrs/2 hrs (REG/ECO Mode)
Battery Charge Time	3 hrs
Battery Power	36 V/8 Ah
Battery Type	Lithium Iron Phosphate
Battery & Charger Regulatory	ETL Listed
Machine Regulatory	ETL Listed
Dual Speed	Yes
Electronic Control Panel	Yes
REPLACEMENT ITEMS	
Standard Brush Set	TMS028
Squeegee Set	TMS032
Battery Charger	TMS033
ACCESSORIES	
Battery	MB027
Oil Resistant Squeegee Set	TMS037
Soft Brush Set Clear	TMS041
Hard Brush Set Black	TMS042
Pad Driver Set	TMS043
White Soft Pads 10 pk (for use with part# TMS043)	TMSSP
Red Medium Pads 10 pk (for use with part# TMS043)	TMSMP
Blue Hard Pads 10 pk ((for use with part# TMS043)	TMSHP
Pad Driver Set (for TMS035 only)	TMS034
Mop Pad Set (must purchase w/ part# TMS034)	TMS035

Battery (MB027) sold separately. Charger and standard brush set included with machine.
Warranty: 2 yrs parts & labor, 1 yr pro-rated battery.

Long-Lasting Battery

The rechargeable Lithium Iron Phosphate battery provides up to 2 hours of run time. Advantages of Lithium Iron Phosphate batteries include: extended longevity and cycle life, with the ability to withstand a large number of charge/discharge cycles, and enhanced thermal stability and safety, with a reduced risk of overheating.

Proven Safe

The Microburst is the only ultra-compact scrubber on the market with an ETL listed machine, battery and charger.

Versatility

The dual-speed functionality (365 RPM ECO Mode, 435 RPM Reg. Mode) allows for effective cleaning of a variety of hard floor types and for extended battery life in ECO mode.

Larger Capacity

The detachable solution and recovery tanks are larger than competitive models (1.3 gal/2.1 gal) and are easy to remove, fill and empty with minimal downtime.

Easy Maintenance

The magnetically-mounted brushes and quick-release squeegee can be removed in seconds, allowing for swift and easy cleaning and maintenance.

Intuitive Controls

The electronic control panel is simple to operate, with all the functions of the machine immediately accessible including power, brush, vacuum, solution flow, ECO mode, and battery charge indicator.
