

SC25

Smart, compact cleaning

NILFISK

Simply press play for your smartest clean yet.

Say hello to the Nilfisk SC25, a versatile, intelligent autonomous scrubber that works at the touch of a button to help free up time and resources, and ensure reliable, consistent cleaning.

For the highest quality clean every time, the SC25 is unmatched. The cylindrical scrub deck sweeps up light debris and scrubs the floor for the best possible cleaning results.

Efficient water use and consumption, as well as manual mode for spot cleaning. And thanks to its smart programming, this transformative couldn't be easier: it's all at the push of a button.

Space and time saving, so your team can achieve more.

We can't make more time in the day, but we can give you time back.
The SC25 is designed to handle labor-intensive tasks, meaning
your staff can get back to completing other tasks, making light
work of the cleaning schedule.

SC25 is made as a collaboration between Nilfisk and
LionsBot and is built on shared vision for a cleaner, more
sustainable future.

Reliable, resourceful cleaning at the push of a button.

Technical specifications

Description	SC25
Scrub head	1 x cylindrical brush
Scrub path	14.2 in. (36.6 cm)
Squeegee width	23.2 in (59 cm)
Solution tank	6.34 gal (24 L)
Running time	3 h
Cleaning time	1.5 h to 3 h
Battery capacity (nominal voltage - capacity)	25.6 V / Ah 40
Max autonomous speed	2.2 mph (3.6 km/h)
Max theoretical productivity	14,176 ft ² /hr (1,317 m ² /hr)
Sound pressure level	64 dBA
Length x height x width	28.4 x 35.8 x 25.7 in (72.2 x 91 x 65.4 cm)
Gross weight (inc. batteries and water)	279 lb (126.9 kg)

**Measured at Intertek, allowable upward 15% deviation.*
