

MEDICATECH USA®

MasteRad™ **MX40sa**

Your Straight-Arm Solution made Easy

High Quality All-in-One Radiography
POWERED BY VOYANCE®

MasteRad™ MX40sa

Features

Fully integrated with all the features necessary for a all-in-one radiography straight-arm system. Since your budget is always on our mind, Medicatech brings together a fully integrated system with smooth functions, user-friendly design and durable quality. Offering a wide variety of features and benefits that match systems that cost ten times as much.

Ideal choice for a complete range of radiographic procedures and eliminates the need for high-cost room modifications. Enhance your workflow with a compact and effective design.

System Configurations

The MX40 Straight-Arm offers a full range of movements to facilitate all your radiography needs. These operations can be fully motorized, partially motorized or manual.

The MX40sa system is super quiet, easy to operate and designed to make clinic operations faster and easier.

Single touch movements can be managed with full motorization mode or manually depending on the technician's needs. All movements glide into place with little disturbance to the patient.

Medicatech is a global company offering over 20 years of experience in producing high-quality medical devices at affordable prices.

Our US based operations have helped thousands of clinics throughout the world save lives everyday.

MEDICATECH USA®
