Note:

*Estimate only. Actual supply consumption may vary. Please see [help page](#) for details.

Non-genuine ink system detected.

Non-genuine inks have been detected and could cause print-quality issues.

HP recommends that the inks are changed to Original HP inks.

Original HP inks and printheads are designed and engineered together to provide uncompromising print quality, consistency, performance, and durability. Using non-HP inks may have warranty implications. For more details, see the Limited Warranty document provided with your printer.
