CC2700
Electric Color Coil® inserter

Modular

The dual-action roller system gets spines through punched sheets with reliable ease, and three adjustable spine-size settings ensure instant accuracy. A built-in spine former shapes stacks for easier binding. Includes an easy-to-use crimper hand tool, which cuts and crimps the spine in place.

Added features

Electric binding for increased productivity

Dual-action rollers for increased speed and accuracy

Built-in storage for spine cutter/crimper hand tool

Crimper hand tool included

Additional crimper hand tools sold separately

Bind documents up to 12"
