

REACH Compliance Declaration

We hereby declare our compliance for the Products manufactured in China are fully compliant with the requirements of European Union Regulation (EC) 1907/2006 concerning the Registration, Evaluation, Authorization and Restriction of Chemicals (REACH):

Article 33

A supplier of a product composed of one or more constituent articles (products) of which contain(s) a candidate list substance (SVHC, Substance of Very High Concern) in a concentration above 0.1% w/w, shall inform the customer of the presence of such substance(s) with sufficient information, available to the supplier.

According to our current best knowledge the product and its components do not contain SVHCsin a content exceeding 0.1% w/w except for the following:

Product Name	Product Number	1,2-dimethoxyethane; ethylene glycol dimethyl ether (EGDME)	Bisphenol A (BPA)	Cadmium	Diboron trioxide	Hexahydromethyl phthalic anhydride	Lead	Lead titanium zirconium oxide

ABB is monitoring the updates of the list.

Article 67

A substance on its own, in a preparation or in an article, for which Annex XVII contains a restriction shall not be manufactured, placed on the market or used unless it complies with the conditions of that restriction.

We declare that the product does not contravene the restrictions in Annex XVII.

Annex XIV

Substances on the Candidate list are prioritized to be added to the Authorisation List (Annex XIV). A substance is no longer permitted for the EU market after its sunset date. We declare that the products do not contain Annex XIV substances that have passed the sunset date unless an authorisation has been granted for our use or the use is exempted from authorisation.

ABB is monitoring the updates of the prioritized Candidate List substances to the Authorisation List (Annex XIV).

ABB has solely relied on the information retrieved from the supply chain and have not conducted chemical analysis or other similar testing.

Yours sincerely
