MECHANICAL CUSTOMIZED MACHINERY

*Newly-Modified
Automatic Slab Saw*

- No grabbing or kicking.
- No air, no electric and no hydraulics.
- Can be hooked up to lineshaft or most any power source.
- Hold down fingers on both sides of blade.
- Plastic on each side of blade - no more sawing into conveyor.
- Sawdust chute out of front door for cleaner sawdust and better clean up.

Free Weekly Email for Dads

Do you ever wish a guy would come to your house, slug you in the arm, and tell you to straighten up, be a good dad, and be loving to your wife? Well, now your wildest dreams have come true, because I'll come to your home or office each week and do just that.

Now, don't be expecting a theological treatise on husbanding, because the Familyman Weekly isn't that.

Think of it more as one dad encouraging another over the backyard fence.

VORTEX V6 CHIPPER

WIDEST INFEED 6" × 17"

With the largest infeed opening available in the 6-inch brush chipper class, the Vortex series allows operators to feed larger limbs and brush with fewer cuts. This expanded capacity minimizes material preparation, increases throughput, and improves overall jobsite efficiency.

HIGH-VELOCITY THROWING DISC

A drum chipper with the throwing power of a disc. The throwing disc blows chips directly from the chamber in a tight, consistent stream into a pile or chip truck.

ANTI-CLOG VORTEX CHAMBERS

The revolutionary open design eliminates clogging by using a skinless drum and an angled discharge chamber that directs chips straight to the thrower wheel. With a pocketless drum, the system delivers consistent flow and performance - unlike traditional drum chippers.

Maximum Feed Capacity: 6"
Engine Horsepower: 35 HP
Fuel Capacity: 10 Gallons

Number of Knives: 4 Knives
Adjustable Discharge Chute: Manual Swivel Discharge, Adjustable Height

ENVIRO **MAX**

ALL-TERRAIN LOG FORWARDER

EnviroMax is the sawmill and loggers answer to providing consistent timber supplies in any ground condition, 365 days a year. Compared to conventional wheeled machines that leave deep ruts in soft ground and weather related lost production time.

EnviroMax is the answer to delivering clean and sorted logs to the road or portable sawmill, with minimal damage to the property.

The key to the EnviroMax and it's extremely low ground pressure, is the rubber track system.

EnviroMax ground pressure is 3 psi empty and 6 psi fully loaded.

4 models are available with carrying capacity of 4 to 10 tons. Options like blades, winch, air conditioning, heat, closed or open cab are also available.
