From the Editor

Monday, Jan 12th, 2026

Well, now I know why so many folks head to Florida for the winter. It's hard to argue with 75 degrees and sunshine while the North is dealing with freezing temps and biting wind. We had an excellent trip. The children loved the beach, and I did too. I even managed a swim in the Gulf of America. As good as it was, it feels good to be home. I don't like missing church three weeks in a row.

This is crunch time for those of you whose subscriptions expired on December 31, 2025. You've received the first two issues of 2026 free along with a postcard reminder in the mail. At this point, those accounts will move to sample status and will only receive a copy from time to time. Thank you to everyone who renewed—we truly appreciate your continued support. I had a lot of mail to process when I got back!

The Christmas holiday caused more mail delays than usual, as many of you experienced firsthand. The Bid Book for the year-end IronRing auction was mailed two weeks ahead of the auction, yet we received many calls from folks who didn't get their book in time. Then the issue mailed on December 26 (26-01) showed up for some in just three to four days. Hard to make sense of that.

Here is a message from leadership at Sawmill Exchange: *"We received feedback that the Bid Book for the December 31st auction was delayed for some of you. This is frustrating for us, as we intentionally built in extra time due to the holiday season. We apologize for the inconvenience and want to understand how we can help address this. We would appreciate hearing from you."*

This time of year is typically lighter on auctions, so expect thinner books over the next few issues. January is also a time when we encourage our team to take some time off as we prepare for another busy year, Lord willing.

Thank you for your trust in Sawmill Exchange. We appreciate your business.

Until next time,

Wayne Nisley, Editor

Equipment Market Report

Brought to you by Bright Star Auctions
Eugene Hochstetler / Vice President / (574) 242-1100

As the calendar turned and the industry headed into a new year, late December and early January auctions offered a good snapshot of current buyer confidence. With steady participation and competitive bidding, these events helped set expectations for the opening weeks of 2026.

2025 John Deere - Sold for \$60,000

2019 Manitou - Sold for \$35,000

The 12/31/25 Iron Ring auction wrapped up the year with strong energy and steady buyer engagement from start to finish. Competitive bidding stayed consistent, and several key pieces of equipment helped set the tone for a confident close to 2025. Highlights included the 2025 John Deere 325G skid steer bringing \$60,000, the 2019 Manitou MLT840 telehandler selling for \$35,000, and the Toyota 8FGU32 forklift closing at \$9,000.

Heavier iron also drew solid attention. The John Deere 655C crawler loader sold for \$30,000, while the 2006 John Deere 350D excavator brought \$36,000. Forestry and processing equipment held their own as well, led by the 1993 CAT 518C skidder at \$27,000 and the 2021 Dyna SC16 firewood processor selling for \$42,000.

Two standout items topped the day, with the 2006 Terex Pegson 1412 impact crusher reaching \$120,000 and the 2015 John Deere CP690 cotton harvester bringing a strong \$195,000.

Toyota - Sold! \$9000

2002 John Deere - Sold! \$30,000

2021 Dyna - Sold! \$42,000

2006 Terex Crusher - Sold! \$120,000

2015 John Deere - Sold! \$195,000

The 1/7/26 Wood Ring auction followed with solid results of its own. Aspen and Hardwood stringers held steady, supported by healthy buyer participation and consistent demand. Pricing remained firm, showing continued confidence in both product categories.

Taken together, these auctions point to stable market conditions and encouraging activity as 2026 gets underway. Buyers remain engaged, and well-positioned equipment continues to sell at fair, competitive levels.

Sold! We'll see you at the next auction!

Email for Dads**

Do you ever wish a guy would come to your house, slug you in the arm, and tell you to straighten up, be a good dad, and be loving to your wife? Well, now your wildest dreams have come true, because I'll come to your home or office each week and do just that.

Now, don't be expecting a theological treatise on husbanding, because the Familyman Weekly isn't that.

Washington Takes a Step to Back Timber Financing

Lawmakers in Washington have introduced legislation aimed at strengthening U.S. timber industry financing — a move that could help rural communities and long-term investment in forestry operations.

On November 24, Rep. Dan Newhouse (R-WA) teamed up with Rep. Terri Sewell (D-AL) to unveil the Supporting American Wood and Mill Infrastructure with Loans for Longevity (SAWMILL) Act, which would permanently reauthorize the Timber Production Expansion Guaranteed Loan Program (TPEP). The goal is to expand access to long-term, low-interest loans so timber businesses can invest in facilities and equipment and plan for the future.

"This legislation gives timber mills the ability to grow their operations and support rural communities who stand to benefit even more from a strong, local timber industry," Newhouse said, pointing out the importance of the sector in his home state and beyond.

The reauthorized program is expected to help companies make critical upgrades, boost local economies, and improve forest management — especially in areas prone to wildfires. TPEP's focus on supporting operations that handle hazardous fuels also ties into broader efforts to reduce fire risk and improve forest health.

Industry groups have come out in support. Jackson Morrill of the American Wood Council highlighted the act's potential impact, noting that "our nation's sawmills and wood processing facilities directly employ nearly half a million Americans," and suggesting that these operations serve as vital economic engines for rural regions.

Rebecca Turner of American Forests added that the act could play a role in both economic and environmental goals. "For generations, sawmills have been economic engines of rural America," she said, emphasizing the dual benefit of supporting communities and fostering healthy forests.

The legislation, backed by both Democrats and Republicans, also has companion support in the Senate, reflecting a bipartisan interest in securing rural jobs and strengthening the nation's forestry base.

For an industry that often faces financing hurdles, this policy effort could help unlock capital and confidence for investment — not an instant fix, but a strategic push that aligns with other growth trends across the timber sector.

These Terms also form the basis for the final contract of sale between the Seller and the Buyer.

1. **Auctions Conducted Under These Terms.** The Auction is conducted under and in accordance with these Terms, the Terms posted on Auctioneer's website, applicable law, and any announcements or corrections made by Auctioneer during the Auction. "Absentee Bid" means a bid submitted in advance by an Absentee Bidder for the execution during the Auction.

"Absentee Bidder" means a person or entity that submits an Absentee Bid.

"Absolute Auction" or "Absolute" applies only if and when expressly indicated and means that property is to be sold to the highest bidder regardless of the amount of the final bid, with no limiting conditions, restrictions, or reservations. UNLESS SPECIFICALLY AND EXPRESSLY STATED BY AUCTIONEER IN WRITING, NO PROPERTY IS BEING SOLD ABSOLUTE OR AT AN ABSOLUTE AUCTION.

"Auction" means the auction sale at which Auctioneer solicits bids, or is scheduled to solicit bids.

"Auction Site" means the physical location of the Auction, or, for an Auction conducted entirely online, the location at which Property may be inspected.

"Bidder Number" means the number or other identifier issued by Auctioneer to a Registered Bidder for the purposes of identifying bids to such Registered Bidder.

"Buyer's Premium" is an amount with respect to each Lot of Personal Property sold at the Auction, calculated as a percentage of the Hammer Price, that is payable by the Buyer to Auctioneer for Auctioneer's own account.

"Fall of the Hammer" means the point, after bids have been received, at which Auctioneer declares a Lot of Personal Property "sold" to Bidder acknowledged by Auctioneer as having made the Winning Bid. During an auction that is exclusively online, the Fall of the Hammer will occur electronically at the end of timed (or extended) bidding. In an auction that is Subject to Seller's Confirmation, the Fall of the Hammer will occur on Seller's Confirmation of the High Bid Subject to Confirmation.

"High Bidder" means the Bidder recognized by Auctioneer as having made the High Bid with respect to a Lot.

"Knocked Down" or "Knock Down" means, with respect to any Property put up at the Auction, that Auctioneer has acknowledged the Winning Bid with the Fall of the Hammer, or by announcing "sold", or by giving a similar such indication. Property may be Knocked Down electronically at the conclusion of a timed online auction event.

“Private Sale Price” means the fair market purchase price of the Property paid, or agreed to, at a Private Sale in an arms-length transaction between Seller and the purchaser of the Property. If the Property is sold through a Private Sale for less than its fair market value, or in a transaction that is not an arms-length transaction, or is gifted by Seller, the Private Sale Price will be an amount equal to the fair market value of the Property in an arms-length transaction.

“Property” means the Real Property and the Personal Property.

“Reserve Price” means the minimum price that Seller is willing to accept for specific Property.

“Seller’s Confirmation” means Seller’s confirmation, approval, and acceptance of the High Bid Subject to Confirmation acknowledged and recorded by Auctioneer.

“Subject to Seller’s Confirmation” means, with respect to any Property expressly identified in this Agreement as being sold Subject to Seller’s Confirmation, that after the High Bid Subject to Seller’s Confirmation has been received and acknowledged by Auctioneer, Seller may determine, in Seller’s sole and absolute discretion, to (i) accept such bid or (ii) reject such bid.

“Winning Bid” means the highest bid received and accepted (and if Subject to Seller’s Confirmation, confirmed by Seller).

“Winning Bidder” means the Bidder who is recognized by Auctioneer as having made the Winning Bid.

3. **Bidder Registration.** All persons desiring to bid at the Auction, must register to bid and be issued a Bidder Number. In order to register to bid, each potential Bidder must provide such information (including identifying information and qualifications) as requested by Auctioneer. Auctioneer may refuse to accept a Bidder Registration from any potential Bidder, may refuse to issue a Bidder Number to any potential Bidder, and, if a Registered Bidder breaches any Bidder Terms or engages in improper conduct, Auctioneer may revoke any Bidder Number. By registering to bid at the Auction, each Registered Bidder acknowledges and agrees that such Registered Bidder has read, understands, and agrees to be bound by, these Bidder Terms. In Auctioneer’s discretion, bids may be received from a person who has not registered to bid, and by placing a bid accepted by Auctioneer such unregistered Bidder will be bound by these Bidder Terms and will immediately complete a Bidder Registration.

4. **Governing Law.**

1.1 **For Auctions in the State of Indiana and Online.** Unless otherwise indicated, all Property is offered for sale in the State of Indiana, and will be sold in the State of Indiana. Notwithstanding the physical location of the Bidder or any Participant, these Terms are deemed to be entered into in the State of Indiana, all bids and payments are deemed to be received in the State of Indiana, and the contract, if any, will be deemed to be formed and entered into in the State of Indiana.

5. **Buyer’s Premium.** All Property offered at the Auction is subject to a Buyer’s Premium, which will be paid by the Buyer to Auctioneer for Auctioneer’s own account. The Buyer’s Premium will be calculated as a percentage of the Hammer Price, and will be added to the Hammer Price to determine the final Purchase Price. Buyer agrees to pay the Winning Bid plus the applicable Buyer’s Premium.

6. **Access to Auction Site.** Participants assume all risks associated with their presence at the Auction Site or their access to the online bidding platform utilized by Auctioneer. Any person may be denied access to the Auction, the Auction Site, and the online bidding platform utilized by Auctioneer, and may be removed at Auctioneer’s discretion.

7. **Nature of the Auction.** This Property is being sold at the Auction in the manner indicated on the first page of this Agreement.

8. **Bidding.** Registered Bidders may only bid at the Auction by agreeing to be bound by these Bidder Terms. By bidding, each Registered Bidder acknowledges and agrees that such Registered Bidder has had a full and fair opportunity to read, and understands, these Bidder Terms, and affirms that such Registered Bidder is subject to and bound by these Bidder Terms.

9. **No Bid Retraction.** Bidder may not retract a bid that has been acknowledged by Auctioneer or that has been submitted online. Bidder acknowledges and agrees that Auctioneer is acting in reliance on tendered bids in the conduct of the Auction, and that bid retraction is disruptive and interferes with the Auction, and that, as an inducement for Auctioneer to accept such Bidder’s Bidder Registration and for such Bidder to bid at the Auction, Bidder agrees not to withdraw or to attempt to withdraw any tendered bid that has been acknowledged by Auctioneer.

10. **Online Auction.** The following terms and conditions apply if the Auction is conducted, in whole or in part, online:

Bidder Terms and Conditions Continued...

- 10.4. **Online Bidding Increments.** Auctioneer may establish bid increments, and may modify or change bid increments, in Auctioneer's sole and absolute discretion.
- 10.5. **Records of Online Activity.** Absent clerical errors, Auctioneer's records will be deemed final and conclusive.
- 10.6. **Technology Disruptions.** Auctioneer will not be responsible for technology disruptions, errors, or failures (including disruptions to bidding or the failure to execute, recognize, or record online bids), whether caused by (i) loss of connectivity, breakdown, disruption, or failure of the Online Auction Platform, (ii) breakdown, disruption, or failure of a Bidder's internet connection, computer, or system, (iii) viruses or software malfunction, or (iv) otherwise. Auctioneer may, but will not be required to, continue, suspend, delay, extend, reschedule, or close the Auction because of disruptions caused by technology failures, even after bidding has commenced.
- 10.7. **Failures by Online Auction Platform Provider and its Affiliates or Contractors.** Auctioneer may use an Online Auction Platform Provider to facilitate the Auction. Under no circumstances will Auctioneer be liable for any failure of the Online Auction Platform Provider to perform all or any of its obligations, or for the failure of any affiliates, employees, agents, representatives, or contractors of the Online Auction Platform Provider to perform their obligations.
- 10.8. **Auto Extend Feature.** Any Online Bidding Period may include an auto extend feature. This means that, if an online bid is entered within a set time period approaching the end of the established Online Bidding Period, the Online Bidding Period will automatically be extended for an additional amount of time in increments established by Auctioneer, and will continue to be so extended until there is a set period of time that lapses during which no online bids are received, after which bidding will close.
- 10.9. **Disclaimer.** Auctioneer makes no representations or warranties, and disclaims any representations or warranties, (i) that the Online Auction Platform or any related website or technology will be uninterrupted, error free or virus free, (ii) as to the results that may be obtained by using the Online Auction Platform or any related website or technology, or (iii) as to the accuracy, completeness, reliability, security, or current nature of the Online Auction Platform or any related website technology.
- 10.10. **Responsibility for Online Bids.** If a Winning Bid is sent to Auctioneer from the computer of a Registered Bidder, and is, thereafter, confirmed by Seller, such Registered Bidder will be the Buyer.
- 10.11. **No Reduction or Retraction of Online Bids.** Online bids may not be reduced or retracted.
- 10.12. **Competing Online and Onsite Bids.** In the event of contemporaneously made online and onsite bids, Auctioneer will determine which bid is the successful bid, and may, in Auctioneer's discretion, reopen the bidding.
- 10.13. **Winning Bidders Subject to Certification by Auctioneer.** The final determination of the Winning Bidder is subject to certification by Auctioneer; and any email or electronic message (whether generated manually or automatically) is subject to such certification.
11. **Absentee Bids; Remote Bidding.** In Auctioneer's discretion, Auctioneer may receive Absentee Bids and/or bids tendered by remote Bidders (whether telephonically or otherwise). All prebids and maxbids placed online are considered absentee bids. Auctioneer pledges complete integrity in the treatment of absentee bids and absentee bids may be initiated and advanced in accordance with Auctioneer's policies and procedures. Auctioneer has the right to initiate any absentee bids at 25% to 50% of their maximum amount. Auctioneer will make reasonable efforts to execute Absentee Bids, but Auctioneer will have no liability to any Absentee Bidder for the failure to execute any Absentee Bids for any reason whatsoever. Each Absentee Bidder acknowledges and agrees that Property may be sold to another Bidder for the maximum amount of the Absentee Bid based on a bidding sequence that causes another Bidder to reach such amount first. If the execution of an Absentee Bid at its maximum amount would require Auctioneer to accept a bid that is less than a full bidding increment, Auctioneer has the sole and absolute discretion to accept or reject such bid. An Absentee Bidder may provide instructions to the Auctioneer to advance the bid by one or more bidding increments after the maximum amount of the Absentee Bid is, or would be, reached. Auctioneer acts only as the agent of the Seller, and the receipt and/or execution of Absentee Bids will not create an agency relationship between Auctioneer and any Absentee Bidder.
12. **Bid Increments.** Bid increments are established and controlled by Auctioneer, and may be adjusted or modified in Auctioneer's sole and absolute discretion.
13. **Registered Bidders Responsible for Bids Placed on Bidder Number.** Each Registered Bidder is responsible for the Bidder Number issued to such Registered Bidder. Auctioneer is not responsible for monitoring or policing the use of Bidder Numbers, and each Registered Bidder is responsible for all bids made on the Bidder Number issued to such Registered Bidder even if the Registered Bidder claims that the Bidder Number was lost, stolen, or misappropriated, unless notice of a lost, stolen, or misappropriated Bidder Number was provided to Auctioneer prior to an unauthorized bid being made. Absent a clerical error, Auctioneer's recording of bids against a Bidder Number will be conclusive as to the making of such bid by, or on behalf of, the Registered Bidder.
14. **Withdrawal of Property.** Auctioneer has the absolute right to withdraw any Property from the Auction prior to the Fall of the Hammer, unless the Property is explicitly provided that the Property is being sold at an Absolute Auction.
15. **Winning Bid; Buyer.** Pursuant to these Bidder Terms, the Bidder making the Winning Bid for any Lot of Personal Property will be the Buyer of such Property.
16. **All Property Sold "AS IS", "WHERE IS", and "WITH ALL FAULTS".** ALL PROPERTY IS BEING OFFERED AND SOLD IN ITS AS IS/WHERE IS CONDITION AT THE TIME OF THE AUCTION, WITH ALL FAULTS, INCLUDING ANY HIDDEN DEFECTS OF ANY NATURE. NEITHER AUCTIONEER NOR SELLER MAKES ANY REPRESENTATIONS, WARRANTIES, OR GUARANTEES WHATSOEVER, EXPRESS OR IMPLIED, REGARDING THE NATURE, VALUE, SOURCE, AUTHENTICITY, FITNESS, MERCHANTABILITY, AND/OR ANY OTHER ASPECT OR CHARACTERISTICS OF SUCH PROPERTY. NO STATEMENT ANYWHERE, WHETHER EXPRESS OR IMPLIED, INCLUDING VERBAL STATEMENTS MADE BY AUCTIONEER, WILL BE DEEMED A WARRANTY OR REPRESENTATION BY AUCTIONEER OR SELLER. WITHOUT LIMITING THE GENERALITY OF THE FOREGOING, THERE ARE NO WARRANTIES OF TITLE, NON-INFRINGEMENT, AUTHENTICITY,

Bidder Terms and Conditions Continued...

ORIGIN, MERCHANTABILITY, OR FITNESS FOR A PARTICULAR PURPOSE, ALL OF WHICH ARE EXPRESSLY DISCLAIMED. EACH BIDDER ACKNOWLEDGES AND AGREES THAT HE, SHE, OR IT CANNOT RELY, AND HAS NOT RELIED, ON ANY REPRESENTATION, WARRANTY, OR GUARANTY MADE BY THE SELLER OR ANYONE ACTING AS AGENT OF THE SELLER, ORALLY OR IN WRITING, ABOUT THE PROPERTY, OR ANY OF IT. BY BIDDING, EACH BIDDER ACKNOWLEDGES AND AGREES THAT SUCH BIDDER HAS HAD A FULL AND FAIR OPPORTUNITY TO INSPECT THE PROPERTY, AND IS RELYING SOLELY ON, OR HAS WAIVED, SUCH BIDDER'S INSPECTION AND INVESTIGATION (i) IN DETERMINING WHETHER TO BID, (ii) IN DETERMINING THE AMOUNT OF A BID, AND (iii) IN BIDDING.

17. **Announcements.** Subject to the limitation set forth in these Bidder Terms, all terms and conditions and other announcements made by Auctioneer on the day of the Auction are binding and take precedence over any advertisements or listings.
18. **Bidder's Inspection.** By bidding, each Bidder acknowledges and agrees that such Bidder has had a full and fair opportunity to inspect the Property, and is relying solely on, or has waived, such Bidder's inspection and investigation (i) in determining whether to bid, (ii) in determining the amount of a bid, and (iii) in bidding. Bidder accepts any and all risks associated with the purchase and/or use of the Property. Bidder agrees to defend, hold harmless, indemnify, and protect both Auctioneer and Seller from any all claims of injury arising out of or relating to the purchase or use of the Property.
19. **Description of Property.** Unless otherwise expressly stated otherwise in writing, any description of Property is based solely on visual impression, and is given solely for identification purposes, and does not create any warranty, expressed or implied, or representation by Auctioneer.
20. **Contract of Sale for Personal Property.** By operation of these Terms, no additional or further writing will be required to evidence the existence of a contract of sale for any Personal Property Knocked-Down at the Auction regardless of the Purchase Price, and these Bidder Terms, together with Auctioneer's clerking sheets or other physical or digital notation identifying the Lot, the Hammer Price, and the Buyer, will be conclusive evidence as to the terms of the sale. These Bidder Terms will be incorporated into the contract between each Buyer and Seller.
21. **Bidding by or on Behalf of Seller.** At an Absolute Auction there is no Seller bidding. The Seller or anyone acting on the Seller's behalf will not bid (directly or indirectly) on any Property put up at Absolute Auction. At a Reserve Auction, the Seller or anyone acting on the Seller's behalf will not bid (directly or indirectly) on any Property put up at Reserve Auction, unless the Auctioneer announces and discloses that the Seller (or someone on behalf of the Seller) will be bidding at the Auction.
22. **Conduct of the Auction.** Auctioneer will regulate all matters relating to the conduct of the Auction and Auctioneer's decisions will be final and binding. Auctioneer will have control over bidding, and Auctioneer will resolve any and all disputes. If (i) a bid is made while the hammer is falling in acceptance of a prior bid or while bidding is otherwise being terminated, or (ii) promptly after the Fall of the Hammer or other termination of the bidding Auctioneer is made aware of a bid that was unnoticed prior to the Fall of the Hammer or other termination of the bidding, and it is demonstrated to Auctioneer's satisfaction that such bid was, in fact, timely made, or (iii) promptly after the Fall of the Hammer or other termination of the bidding Auctioneer is made aware that Auctioneer and a bid assistant or ringman, or multiple bid assistants or ringmen, have acknowledged bids in the same amount bid from different bidders, or (iv) some other bid dispute arises, Auctioneer may, in Auctioneer's sole and absolute discretion, reopen the bidding (but will not be required to). Any contract formed with the Fall of the Hammer will be subject to the conditions set forth in this Section. If bidding is reopened pursuant to this Section, the bid recognized by Auctioneer prior to the reopening of the bidding will be held, and may not be retracted, and, if no further bids are received, such bid will be the Winning Bid.
23. **Motor Vehicles and Equipment.** Any and all motor vehicles and motorized equipment (including, without being limited to, automobiles, trucks, vans, recreational vehicles, motor cycles, motor scooters, tractors, earth moving equipment and other heavy equipment) must be paid in full prior to removal from the Auction Site; and, if any vehicles or equipment is paid for with a check, the vehicle or equipment will not be released unless and until the check clears the drawee bank and the funds have been received by Auctioneer.
24. **All Sales Final.** ALL SALES ARE FINAL. NO REFUNDS OR RETURNS.
25. **Sales Tax.** Subject to applicable exemptions, if any, each Buyer is responsible for the payment of sales tax for each Lot Knocked-Down at the Auction, which sales tax will be collected by Auctioneer at the time payment is made.
26. **Payment.** All Personal Property must be paid for in-full by onsite Buyers on the day of the Auction, at or before the conclusion of the Auction, and before any Property is removed from the Auction Site by or on behalf of the Buyer. Online purchases are due upon receipt of your invoice. Onsite purchases may be paid in cash or approved check, and, when authorized by the Seller and made available by Auctioneer, by credit card or debit card. Cash payments totaling Ten Thousand Dollars (\$10,000) or more will not be accepted. If onsite bidders wish to send a wire, they must present a bank letter of credit (with limit stated equal to or higher than the amount owed by bidder) and wire must be sent no later than one business day after the auction. Online purchases must be paid by credit card or approved check; provided, however, that any online purchases in excess of Two Thousand Five Hundred Dollars (\$2,500.00) must be paid by wire transfer or certified funds unless other arrangements are made with Auctioneer in Auctioneer's sole and absolute discretion.
27. **Wire Transfer Payments.** Buyer shall obtain verbal verification of all bank account information from Bright Star Auctions prior to initiating transfer. Except as otherwise provided by law, we shall not be liable for any loss or damage due to misplaced, unauthorized or fraudulent fund transfers.

Bidder Terms and Conditions Continued...

28. **ACH/eCheck Payments.** By providing account information to Bright Star Auctions, buyer gives permission for Bright Star Auctions to retain payment information on file and represents they are the authorized account holder. Upon authorization to collect payment from Buyer's account and prior to transfer, Buyer is responsible to notify their financial institution of the impending transaction. Buyer agrees to notify Bright Star Auctions of any changes in account information.
29. **Returned Checks.** Any checks that are returned unpaid will be subject to a returned check fee in the amount of Fifty and 00/100 Dollars (\$50.00). In addition to the foregoing, Auctioneer will be entitled to recover, from the issuer of a returned check, all costs and expenses, including attorneys' fees, for the collection of payment made in the form of a check that has been returned unpaid.
30. **No Stop Payment Orders or Credit Card Chargebacks.** Each Bidder agrees that such Bidder will not, under any circumstances, (i) issue a stop payment order with respect to any checks issued at or in connection with the Auction, or (ii) initiate a credit card chargeback with respect to any purchases at the Auction. Each Bidder further agrees that if, in violation of these Terms, a stop payment order is issued or a credit card chargeback is initiated, these Terms will be conclusive evidence of the Bidder's (i) waiver of any rights to issue a stop payment order or to initiate a credit card chargeback, and (ii) agreement not to issue a stop payment order or to initiate a credit card chargeback; and each Bidder acknowledges and agrees that on Auctioneer's presentation of these Terms to the bank, credit card company, or other financial institution against which a check was drawn or that issued the credit card on which charges were made, such bank, credit card company, or other financial institution will reverse any stop-payment order and/or deny any credit card chargeback, and will re-credit all amounts to or for the account of Auctioneer. If, in violation of these Terms, a Bidder issues a stop payment order or initiates a credit card chargeback, such Bidder, even if successful, will remain liable for all purchases made at the Auction, and will be responsible for all costs and expenses, including attorneys' fees, incurred by or on behalf of Auctioneer and/or Seller in challenging the stop payment order or credit card chargeback and in collecting payment. Each Bidder acknowledges and agrees that the covenant not to issue a stop payment order or to initiate a credit card chargeback is a condition to the issuance of a Bidder Number to such Bidder, and is being made as an inducement for Auctioneer to accept such Bidder's Bidder Registration and to issue a Bidder Number. Each Bidder acknowledges and agrees that Auctioneer is relying on the covenant not to issue a stop payment order or to initiate a credit card chargeback in accepting such Bidder's Bidder Registration and in issuing a Bidder Number.
31. **Pick-up and Removal; Shipping.** Each Buyer is responsible for removal of Lots purchased at the Auction, including shipping to remote Buyers. Pick-up and removal dates and times will be as posted on Auctioneer's website or announced at the Auction. Unless otherwise agreed, each Buyer is solely responsible for the disassembly, removal, shipping, and transportation of each Lot purchased by such Buyer. Tools, packing material, and/or assistance will not be supplied at Pickup, so Buyer must plan accordingly. Disassembly and removal shall be done in a quiet and workmanlike manner, and each Buyer, in making its bid, shall thereby indemnify and hold harmless both Auctioneer and Seller against any and all damage caused by the acts of the Buyer, or such Buyer's employees, agents, representatives, or independent contractors in connection with the Pickup. Any and all damages to the Pickup site, including, without being limited to damages to land or buildings, caused by a Buyer or by an employee, agent, representative, or independent contractor of a Buyer, will be repaired by, or at the expense of, such Buyer to the satisfaction of Auctioneer and Seller. Each Buyer must show a copy of the invoice (digital or hard copy) and government-issued photo identification before Lots will be released. No Buyer shall bring pets or young children to the Pickup, as the movement of Lots presents an extremely high-risk environment that could result in injury or death.
32. **Insurance.** Any work performed by Purchaser(s) or Purchaser Representative (including sub-contractors) shall be insured and provide proof of coverage against all claims for injuries against persons or damages to property which may arise from or in connection with the removal of items or equipment. Insurance coverage requirements are as follows: General Liability \$1,000,000/\$2,000,000 and Worker's Compensation \$1,000,000 or as required by State Law. Seller shall be listed as additionally insured, if required.
33. **Abandoned Items.** Any Lots not paid in full, not picked up and removed in the time provided (but, under any circumstances, within thirty (30) days after the Auction), or for which payment has not cleared (within five (5) days after the Auction), will be considered abandoned and may be offered for sale at a later auction or subject to other disposition. Such abandonment does not, however, relieve the Buyer or the Buyer's obligation to make payment in full. Any payments made by or on behalf of a Buyer are non-refundable, and Buyers will remain responsible for the full purchase price of all Lots sold to them. In addition, Buyer's bidding privileges may be suspended at future auctions.
34. **Claims.** With respect to Lots removed from the Auction Site by or on behalf of a Buyer, no claims or returns will be allowed and no claim will be allowed for adjustments or rescission of any sales based on the failure of a Lot to correspond with any standard and/or expectation of the Buyer.
35. **Risk of Loss for Personal Property.** Risk of loss with respect to Personal Property passes to the Buyer with the Fall of the Hammer. Neither Auctioneer nor Seller will be liable for any loss or damage to a Lot after such Lot is sold at the Auction, other than as may be directly and solely caused by Auctioneer's negligence, gross negligence, or intentional misconduct in handling and safeguarding the Lot while in Auctioneer's sole and exclusive possession.
36. **Buyer's Remedies; Bidders/Buyers Not Entitled to Incidental or Consequential Damages.** To the extent that any Bidder or Buyer may be entitled to damages or remedies, the sole and exclusive remedy available to Bidders and Buyers is a return of the Purchase Price actually paid. Under no circumstances will Auctioneer or the Seller be liable for incidental or consequential damages, including, without being limited to lost profits or reduced productivity. Each Bidder acknowledges and agrees that no Bidder or Buyer is entitled to specific performance or other equitable relief.
37. **Seller's Remedies.** If any Buyer breached such Buyer's obligations under these Terms or under a sale contract with the Seller of Property sold at the Auction, in addition to all other legal and equitable remedies, such property may be resold and the breaching Buyer will be responsible for any and all damages, including any deficiency or reduction in the Purchase Price, along with incidental damages.

Bidder Terms and Conditions Continued...

38. **Indemnification.** Each Bidder agrees to indemnify, defend, and hold Auctioneer and Seller harmless from any current or future claim regarding the Auction or the Property, including, without being limited to, fitness, use, damage, safety, or injuries to persons or property.
39. **Private Sale.** No Participant or Registered Bidder may offer to enter into a Private Sale for the purchase of any of the Property prior to, during, or after the Auction. If any of the Property is not Knocked Down at the Auction and Bidder enters into an agreement to buy (i) any of the Personal Property from the Seller within ten (10) days after the Auction, and/or (ii) any of the Real Property within ninety (90) days after the Auction, Bidder shall pay to Auctioneer an amount equal to Auctioneer's full commission and Buyer's Premium.
40. **Waiver.** Certain provisions of these Bidder Terms are for the exclusive benefit of Auctioneer and/or Seller(s). Such provisions, including, without being limited to, Bidder registration and qualification requirements, deposit and payment terms (including the method, form, and timing of payment), removal and delivery terms, and Property inspection terms), do not create, and will not be deemed to create, any benefits or rights in favor of any other persons, including competing Bidders, and may not be enforced by any other persons. Either globally or on a case by case basis Auctioneer and/or Seller may (but will not be required to) waive any provisions of these Terms that are intended for the benefit of Auctioneer and/or Seller.
41. **Compliance with the Law.** Bidder shall not engage in any illegal conduct on the Auction Site and shall comply with all federal, state, and local laws. Bid pooling occurs when Bidders collude to regulate, and artificially suppress, bidding in an effort to reduce the Hammer Price. Anyone participating in bid pooling will be removed from the Auction Site and referred for prosecution. Theft is a serious offense, and, if discovered, will be prosecuted to the fullest extent of the law. Instances of theft will result in immediate termination of bidding and removal from the Auction Site.
42. **Governing Law; Jurisdiction; Venue; Waiver of Jury Trial.** These Bidder Terms will be governed by and construed in accordance with the laws of the State of Indiana, including its statutes of limitations, but without regard to its rules governing conflict of laws. All claims, disputes, and other matters between the parties will be brought in the state or federal courts sitting in and for Elkhart County, Indiana, which courts will have exclusive jurisdiction, and will be the exclusive venue, for any and all such claims, disputes, and other matters. By submitting a Bidder Registration and accepting a Bidder Number each Registered Bidder irrevocably and unconditionally (i) agrees that any claim or suit relating to these Bidder Terms, or the transactions contemplated hereby, will be brought in the state or federal courts sitting in and for Elkhart County, Indiana; (ii) consents to the jurisdiction of such courts for any such claim, suit or cause of action; (iii) waives any objection that such party may have to the laying of venue of any such claim, suit or cause of action in such courts; and (iv) waives any objection to the bringing of such claim, suit or cause of action in such courts on the grounds of *forum non conveniens*. Each Bidder, Buyer, and other Participants waive the right to a jury trial.
43. **Attorneys' Fees.** If any Participant breaches such Participant's obligations under these Terms, Auctioneer and/or Seller will be entitled to recover all costs and expenses, including attorneys' fees incurred in enforcing their rights.
