Need to Sell an Asset Before Bidding - Explore Our Unique Trade-In Credit Bid Program

Many of our potential bidders indicate they want to replace major assets with later-model equipment in our upcoming auctions but need to sell the existing asset for space and/or utilization of the funds. In response to this we've implemented a well-received credit bid program. Similar to purchasing a car we will guarantee an agreed-upon amount for your asset to be used as a credit against your successful bids at our auction.
