RE: Victory Graphics Auction

Dear Tom,

It is a sad time for us to close a chapter in the lives of Dave Gischel and myself, starting the business back in 1983 and growing it into one of the largest family owned printers in Maryland. Unfortunately all of our efforts to find a buyer to continue the business have been unobtainable in this economy.

We would like to convey our sincere thanks to our many clients, competitors and mostly to our very valued loyal employees. We do hope they are able to take the skills they so finely developed to another employment in the printing industry. Our best wishes to you with the forthcoming auction and we thank you for all your help to date in making this plant closure less painful.

Best regards,
Thomas Hicks
President
