

TRINCO™ TB14X12 TUMBLE BLASTER

The Trinco™ Tumble Blaster is designed for high volume automatic tumble blasting of small parts. The large 14" x 12" barrel holds approximately 50 pounds of parts. Simply load barrel, close door, set timer, and turn on Dust Collector. Barrel turns at a 6 RPM, gently exposing all parts to the blast stream. When timer expires, parts are finished and ready for unloading!
