KARL STORZ 8.5 FR. VIDEO CHOLEDOCHOSCOPE

Laparoscopic Exploration of the Common Bile Duct

The KARL STORZ Video Choledochoscope is an 8.5 Fr. flexible scope designed to easily and safely navigate the common bile and hepatic ducts while finding and removing gallstones. Features include:

- Excellent image quality with CMOS technology and an integrated LED that requires no additional light cable
- 2.6x better resolution than before, with a larger, clearer image at higher zoom
- Direct transmission of hand movements, thanks to high torque stability
- Picture-in-Picture technology to view both the bile duct and laparoscopic images on one screen

KARL STORZ 8.5 FR. VIDEO CHOLEDOCHOSCOPE

Laparoscopic Exploration of the Common Bile Duct

The Picture-in-Picture or “split-screen” capability of IMAGE1 S™ displays two scope images simultaneously on one screen. Both the laparoscopic and common bile duct images can be shown, allowing the surgeon to view all aspects of the procedure on one monitor. The Video Choledochoscope, in conjunction with IMAGE1 S™, requires only one surgical tower, which prevents equipment redundancies, reduces the OR equipment footprint, and promotes the best view possible by presenting a digital endoscopic image of the bile ducts.

Ordering Information	
11292 VSEK	**Flexible Video Choledochoscope IMAGE1 S™** Deflection of distal tip: 270° Direction of view: 0° Angle of view: 90° Working length: 50 cm Working channel inner diameter: 3.6 Fr. Distal tip outer diameter: 8.5 Fr.
11292 VSUEK	**Flexible Video Choledochoscope IMAGE1 S™,** with contrapositive deflection mechanism, US version Deflection of distal tip: 270° Direction of view: 0° Angle of view: 90° Working length: 50 cm Working channel inner diameter: 3.6 Fr. Distal tip outer diameter: 8.5 Fr.
33561 PG	**CLICKLINE BERCI Grasping Forceps,** 10 mm, double-action jaws, with silicone pads, for introduction of the choledochoscope in the biliary duct, including: **Metal Handle,** without ratchet **Outer Sheath,** insulated **BERCI Forceps Insert,** with silicone pads
