Offer to relocate equipment

Thank you for giving us the opportunity to quote for the relocation of your equipment.

Included in the works are

Day 1:

- Decommissioning of Mira ("The Equipment") at the current address
- Transport preparation of The Equipment (No packaging material or transport included)

Day 2 forward (total of 4 days expected)

- Unpacking of The Equipment at the new address
- Installation and commissioning of The Equipment at the new address

Total price	£	10,900.00
--------------------	----------	------------------

Current installation address:

To be determined – Price is based on UK mainland

New Installation address:

To be determined – Price is based on UK mainland

Work to be carried out within normal working hours Monday–Friday excluding UK Public Holidays.

Final date to be agreed after accept of the offer

The price includes decommission and installation to a prepared site, but excludes the cost required to prepare the site, such as but not limited to plumbing, compressed air supply, extraction and electrical work. Similarly, building work and the provision of cranes or specialised lifting equipment are excluded.

Any work related to setup of PC, software RIP etc. is not part of the offer, except if it follow the engine the PC can be connected and started as it is.

The customer is responsible for removal of all packaging including but not limited to crates, pallets and wrapping related to The Equipment. Transport and any special packaging materials is NOT included in the offer.

The offer does not cover failure of parts related to moving of The Equipment for malfunction at time of installation.

Agfa cannot be held responsible for any issues or additional costs as a result of the move. Any machine parts that need replacing due to normal wear and tear during, or after the work, will be charged at standard Agfa prices. Any additional work required will be charged at Agfa standard rate. Please note that any additional parts required, that are not included in this quote, will be charged at standard Agfa prices.

Free and unhindered access to The Equipment at the dismantling and installation address, respectively, is assumed.

Payment terms: 50% upfront and after completion of works 50%, 30 days net..

All pricing is without VAT and with reference to our general terms and conditions.

This offer is valid for a period of 30 days.

I trust that I have supplied all the necessary information and I hope you find the above proposal attractive. However, should you have any queries or require further details please do not hesitate to contact me.

Assuring you of our best attention at all times,
Yours sincerely,

Agfa NV
