

-
- Technical drawing of a window frame assembly. The drawing shows a vertical section of a window frame with a horizontal member. The vertical member is labeled "EXISTING FRAME" and has a dimension of $128\frac{3}{4}"$ indicated. The horizontal member is labeled "132" and has a dimension of $132"$ indicated. The drawing also shows a cross-section of the frame with a dashed line indicating the internal structure.
