

DF-777 & DF-755

UNCOMPROMISING RELIABILITY

Fact Sheet

UNIQUE SELLING PROPOSITIONS

- Up to 125 sheets per minute
- 500 sheet capacity
- Jam detector stops operation
- User-friendly
- Six pre-programmed popular folds
- Customise non standard folds
- Cross fold as standard

FEATURES AND BENEFITS

| | |
|-------------------------|--|
| Target Market: | Low volume folding, Office type environment |
| Productivity: | 125 sheets per minute, 500 sheet capacity, 6 pre-programmed folding modes |
| Error detection: | Jam detector stops operation, test button for sheet inspection |
| Ease of use: | Automatic set-up regarding Folding Stopper and Stacker Roller *, 4-digit digital display counter |

* For the DF-777

Duplo[®]
from print to documents
