

# MARCO DIGITAL REFRACTION

REDUCE YOUR REFRACTION TIME BY UP TO 50%  
WITH MARCO AUTOMATED SYSTEMS\*

## TRS-6100 AUTOMATED REFRACTION SYSTEM

The latest total refractive system with full automation and superior accuracy.

- Fast, accurate refraction
- Refract while seated with arms by your side – no more neck, shoulder, and back discomfort
- Intuitive, ergonomic keyboard for simple, one-handed operation
- Instantly compares patients' old and new prescriptions, increasing optical capture rate
- Integrates with most EMR/EHR systems
- Standard five year warranty

## TRS-3100 AUTOMATED REFRACTION SYSTEM

Streamlined features offer speedier patient throughput.

- Completely wireless connection to Marco ARK, LM, and LCD acuity systems
- Built-in intelligent card reader
- Compact, ergonomic design for a more comfortable examination
- 5.7 inch LCD color monitor

**IMPLEMENTATION OF MARCO DIGITAL REFRACTION OFTEN INCREASES REVENUE BY 35% OR MORE\***
