effortless cradle tilt recline

precision engineered Cradle Track
System provides effortless recline
with perfect counterbalance.

effortless cradle tilt recline

precision engineered Cradle Track
System provides effortless recline
with perfect counterbalance.

silent power lift system

powered by Swiss designed linear actuator for smooth and virtually silent lifting with a 560lbs (254kg) capacity. The chair seat raises to 32.3" (82.0cm) and lowers to 20.5" (52.1cm).

advanced headrest

single handed control for
easy positioning of the
Headrest, insuring head and
neck support. Engineered
for a positive, non-slip lock
in any location.

functional armrests

upholstered for comfort, plus
individually retractable for patient
flexibility. Solid construction provides
support for ingress/egress.

robust footrest

a large, broad and stable foot rest provides safe and easy ingress/egress. Easily able to withstand the full weight of the patient and conveniently retracts when not required.
