

# RASCH RU BRUSH WRAPPING MACHINE

## CHOCOLATE WRAPPING MACHINE

### Products

- PRALINES
- BARS
- EGGS
- HOLLOW FIGURES

### Description

The **Rasch RU Wrapping Machine with feeder** by Wilhelm Rasch GmbH & Co. KG is a high-speed, modular confectionery packaging solution specifically configured for brush wrapping, ensuring tight foil conformity that perfectly follows the shape and texture of the product.

Designed for wrapping pralines, bars, eggs, and hollow figures, it delivers up to 160 pieces per minute, with fast changeovers and flexible operation, making it ideal for premium chocolate products requiring high-quality, shape-enhancing presentation.
