

BN-e

Adjustable high-speed wrapping machine for small chocolate bars, neapolitans or other miniatures

This machine is specially designed to wrap at high speed small chocolate bars, neapolitans or other rectangular miniatures. It is adjustable within the following limits:

Dimensions

Class 1	
Minimum	36 x 20 x 5 mm
Maximum	85 x 40 x 20 mm
Class 2	
Minimum	65 x 34 x 5 mm
Maximum	100 x 50 x 20 mm

The sum of the three dimensions should not exceed 120 mm for the class 1 and 150 mm for the class 2.

Output

Up to 200 wrappings/minute. Output depends on consistency and shape of product and on quality of wrapping material.
