

16DB Manual CombBind® finisher

Simple, manual operation

This manual finisher makes binding presentations quick and easy with minimal fuss. Left-handed lever operates with an easy pull and push motion.

CombBind® spine

Look your best when you bind presentations and reports with our most conventional and affordable binding spine. CombBind lets pages lie flat for convenient note taking and photocopying, and it lets you easily add and remove pages with a machine for quick edits. These durable spines won't scratch, chip, peel or discolor. They come in a variety of sizes and colors to meet all your binding needs, give your presentation flair, and grab attention.

Features and benefits

- Locking spine-size settings for faster operation
- Lightweight and portable
- Binds documents up to 16"
