MASTER CARRIER PROTECTION ADDENDUM

1. FRAUD & IDENTITY VERIFICATION

Carrier certifies it is the authorized motor carrier transporting the load and is not engaged in identity theft, unlawful brokerage, or cargo theft schemes. Broker may require driver ID, equipment photos, MC verification, and dispatch confirmation prior to release.

2. DOUBLE BROKERING – LIQUIDATED DAMAGES

Unauthorized re-brokering constitutes material breach. Carrier agrees to liquidated damages equal to \$25,000 per occurrence plus all freight charges and legal fees.

3. BRIDGE STRIKE LIABILITY

Carrier assumes full responsibility for bridge strikes, overpass damage, infrastructure impact, or clearance violations. Carrier shall indemnify Broker for all resulting claims and penalties.

4. UTILITY STRIKE INDEMNITY

Carrier assumes liability for damage to overhead lines, utility wires, traffic signals, signage, or roadside infrastructure arising from transport.

5. GPS TRACKING REQUIREMENT

For oversize or high-value loads, Carrier agrees to maintain active GPS tracking and provide updates upon request.

6. LOAD PHOTO DOCUMENTATION

Carrier shall provide timestamped photos of load securement prior to departure and at delivery. Failure may void accessorial claims.

7. ELD & HOURS OF SERVICE COMPLIANCE

Carrier certifies compliance with 49 CFR Part 395 and shall maintain accurate electronic logging device records.

8. DETENTION & ACCESSORIAL POLICY

Detention must be requested within 24 hours with signed documentation. Charges not pre-approved in writing will not be honored.

9. SECURITY & CARGO PROTECTION

Carrier shall ensure secure parking practices, driver background compliance, and reasonable cargo protection measures.

10. SURVIVAL & ENFORCEMENT

All indemnification, fraud, and liability provisions survive termination of transport. Prevailing party entitled to attorney's fees.
