

# 1500XL dispenser

Whether you apply cyanoacrylates or thick sealants, the versatile, easy-to-use 1500XL dispenses absolutely consistent deposits. Unique TEACH function lets the operator establish deposit size, then stores time required for automatic repeat deposits. The dependable 1500XL is trouble-free, with tens of thousands in daily use. For helpful recommendations, call **800-556-3484**.

1/3 actual size
