Voltage	10 500
Balance of Plant Available? (BOP)	

The image shows a computer monitor displaying a software interface for a building management system. The interface features a list of equipment with various status indicators and numerical data. A green circular icon with a white 'F' is highlighted on the screen. To the left of the monitor, a blue plastic chair back is visible. To the right, a portion of another screen or document is visible, showing text like 'Gas Fuel P...', 'Gas Fuel T...', 'Gas Fuel M...', 'Gas Fuel W...', and 'Gas Fuel S...'.
