50 MW 1993 Used Sulzer 16ZAV40S HFO Generator Set

50 MW 1993 Used Sulzer 16ZAV40S HFO Generator Set

Description

This is a medium-speed, four-stroke diesel engine generator set engineered for large-scale continuous power generation. Built in 1993 and rated at 50 MW, this heavy-fuel-oil (HFO)–capable unit is designed for baseload or standby operation in industrial plants, utility power stations, or marine auxiliary applications. The 16-cylinder V-configuration offers a balance between compact footprint and high output. Its robust construction, fuel flexibility, and service-friendly design make it well suited for long operational cycles in demanding environments.

KEY FEATURES:

- **Rated output:** 50 MW
- Fuel type: Heavy Fuel Oil (HFO) capable
- Built for continuous-duty, high-load operation

ADVANTAGES:

- High power output suitable for utility or industrial-scale generation
- Durable construction allows extended service life under heavy loads
- Easily integrated into existing power plant infrastructure

Manufacturer	Sulzer
Model	16ZAV40S
Year	1993
Condition	Used
Location	Asia
Qty Available	5 Units
Category	HFO Generators
Subcategory	10 – 99 MW
Stock Number	USP010278
Wattage	50 MW
Hours	12000
Frequency	50 Hz
Fuel Type	Heavy Fuel Oil (HFO)
Voltage	10500
Balance of Plant Available? (BOP)	-
