

2.5 MW 2008 New Caterpillar 3516B Diesel Marine Propulsion Engines

Harnessing Energy for Life

Description & Additional Notes

USP&E is selling: 2.5 MW 2008 New Caterpillar 3516B Diesel Marine Propulsion Engines
50 Hz; 1 600 RPM;

Additional Information:

The Caterpillar 3516B diesel generator delivers power from 1640kW to 2250 kW at 60Hz. Designed for critical mission applications, whether continuous, standby or prime applications. Applications and industries using these generators include Bore/Drill Rigs, Chippers/Grinders, Construction, Cranes, Dredgers, Forestry, General Industrial, Material Handling, Mining, Mobile Earthmoving Equipment, Pumps, Shovels/Draglines, Surface Hauling Equipment and Trenchers. High power output, reliability and outstanding fuel efficiency are some of their advantages.

Units available: 4x - 2.5 MW Per Unit

**Note that price is Per Unit

Thousands of fast-growing companies struggle to find reliable and cost-effective power generation solutions available for immediate shipping and installation. At USP&E, we understand the complexities of integrating balance of plant and other site infrastructure.

Meet USP&E: Your Guide to Energy Project Excellence

Description & Additional Notes

We know that delays related to permitting, land access, shipping, and more can hinder your project's progress. That's why we're here to help you tackle these challenges head-on with urgency and expertise.

Why Choose USP&E?

Experience: With over 20 years of experience, we've successfully helped hundreds of companies like yours achieve their energy goals.

Inventory: Our wide range of inventory allows us to respond quickly and efficiently to your needs.

Commitment: We are passionate about your energy sustainability journey and dedicated to ensuring your project's success.

Our Proven Process:

1. **Engineering/Design Meeting:** In a quick 30-minute session, we'll understand your project goals, timelines, and budgets.

2. **Scope of Work:** We'll match our plants to your needs, ensuring a perfect fit.

3. **Finalisation:** Together, we'll finalise the commercial and technical aspects into a contract and move forward with the project.

Harnessing Energy for Life

Description & Additional Notes

At USP&E, we're not just an equipment broker. We are your trusted partner offering full Engineering, Procurement, Construction, and long-term O&M services worldwide, ensuring your project is a resounding success.

Certifications: We proudly hold ISO 9001:2015 and 45001:2018 certifications.

Let us guide you to success. Contact us today to get started.

Specifications

Manufacturer	Caterpillar
Model	3516B
Year	2008
Condition	New
Location	Asia
Price	\$395,600.00
Category	Diesel Generators
Subcategories	<ul style="list-style-type: none">1 - 9 MW
Stock Number	USP010552
Wattage	2.5 MW
Hours	Zero
Frequency	50 Hz
Fuel type	Diesel
Voltage	NA
Balance of Plant Available? (BOP)	-
