## 2.5 MW 2015 New Caterpillar C18 Diesel Generator Set (Marine)

# 2.5 MW 2015 New Caterpillar C18 Diesel Generator Set (Marine)

## Description

This diesel generator set is a high-performance marine-rated power solution, designed for reliable onboard electricity supply in vessels or offshore platforms. Built for continuous and standby operation, it delivers stable power for propulsion support, auxiliary systems, and critical shipboard loads. The generator features robust engineering for harsh marine environments, with corrosion-resistant components and marine-compliant design. As a 2015 unit in new condition, it offers long-term reliability and low operational wear, making it suitable for both commercial and industrial marine applications.

### KEY FEATURES:

- Rated Power Output: 2.5 MW
- Voltage: Configurable for marine applications
- Skid-mounted for ease of installation
- Designed for continuous or standby operation

### ADVANTAGES

- Marine-compliant design ensures safety and regulatory compliance
- Flexible deployment for propulsion support, auxiliary power, or emergency standby
- Low operational wear provides long service life

Manufacturer	Caterpillar
Model	C18
Year	2015
Condition	New
Location	China
Qty Available	5 Units
Category	Diesel Generators
Subcategory	1 - 9 MW
Stock Number	USP010743
Wattage	2.5 MW
Hours	Zero
Frequency	60 Hz
Fuel Type	Diesel
Voltage	480
Balance of Plant Available? (BOP)	-
