2 MW 2023 New Cummins QSK60G4 Diesel Generator Sets (Soundproof Canopy)

2 MW 2023 New Cummins QSK60G4 Diesel Generator Sets (Soundproof Canopy)

Description

This generator set is purpose-built for heavy-duty performance in demanding environments. Equipped with Cummins’ proven QSK60G4 engine, it delivers robust and consistent power for operations that cannot afford downtime—such as mining sites, critical infrastructure, or large-scale industrial facilities. Housed in a factory-engineered soundproof canopy, the unit provides low-noise output without sacrificing airflow or service access. Designed for maximum durability and ease of deployment, it offers reliable power in remote or grid-unstable locations where resilience is essential.

KEY FEATURES:

- **Fuel Type:** Diesel
- **Emissions Compliance:** Meets Tier II / Tier III standards (varies by market)
- **Soundproof Enclosure:** Factory canopy with noise attenuation

ADVANTAGES:

- **High Reliability:** Designed for demanding environments including construction, mining, and data centers
- **Versatile Deployment:** Suitable for both prime and standby applications, with multiple voltage configurations

Manufacturer	Cummins
Model	QSK60G4
Year	2023
Condition	New
Location	Asia
Qty Available	8 Units
Category	1 – 9 MW
Subcategory	Diesel Generators
Stock Number	USP010157
Wattage	2 MW
Hours	Zero
Frequency	50 Hz
Fuel Type	Diesel
Voltage	220 Volts
Balance of Plant Available? (BOP)	-
