Subject: New machine installations in Italy

We are pleased to announce that our Italian distributor, World Graphic Machine Srl (hereafter called as WGM) have finished their press installation of the RMGT flagship models in these 8 months in Italy. WGM sold those new RMGT presses in concentrative places strategically, and you may visit some customers within a day. WGM is not stopping to sell the RMGT new models there!!

**1) Grafiche Baroncini Srl, 970PF-8 (dedicated LED-UV printing press), Bologna**

WGM has recently finished machine installation there as the 3rd 970PF model in Italy.

2) Filograf Arti Grafiche srl, 1050ST-5, Bologna (not 1060 model)

This press was also installed in Bologna area, which is very close to the above 1) customer.

3) Cappelli Arti Grafiche S.r.l. , 970PF-5 (dedicated LED-UV printing press), Florence

This is the 2nd 970PF model in Italy, which has perfecting unit after the 1st printing unit.

4) Tipografia Senesi, 790ST-5, Florence

This is also one of happy customers of the 790 model, and this press is equipped with 0.8mm thickness option and movable shell skeleton transfer drums.

5) Litografia Bruni S.R.L. , 970PF-8 (dedicated LED-UV printing press), Rome

This is the 1st 970PF model in Italy and also the world's 1st 970PF press in all over the world.

You can see a user introduction movie which was announced by RMGT hot news Vol. 278 on July 15.

6) Alpha Print Srl, 920PF-8, Milan

They owned a Mitsubishi brand press for over 20 years, took the opportunity to switch from a 5-color machine to a fully equipped 8-color machine, to compete in a very difficult market and increase its productivity.
