

Isotemp* Refrigerators and Freezers

Flammable Material Laboratory Refrigerators and Freezers

Fisher Scientific* Isotemp Flammable Material Laboratory Refrigerators and Freezers

Designed to store volatiles where a spark-free internal cabinet environment is required

Isotemp flammable material refrigerators, freezers and combination units are designed to be used for storage of volatiles where a spark-free internal cabinet environment is required. A range of models particularly suited for storage of flammable materials with sizes from small undercounter to full height freestanding. Not available outside North America.

- » Spark-free interiors to reduce risk of internal explosion
- » All units are manual defrost
- » Tough white exterior (except Cat. No. 13-986-450R)
- » CFC- and HCFC-free refrigeration system and insulation
- » Designed to meet NFPA 45 and 99 along with OSHA article 1910.307

Warranty: 13 months parts and labor
CSA and/or UL listed
