

# Cable Duct Cutter

# 9062

## Channel cutter

The 9062 cutter consists of a blade which, by acting on the upper lever, allows you to cut channels, lids, or similar products, made of plastic or rubbery material.

Cuts all types of PVC overhead profiles, 4/8 pitch, from a minimum size of 25 mm to a maximum size of 120 mm.

The maximum height is up to 120 mm.  
The machine must be securely fastened to a table or base.
