

Engine Test [PK200128]

(PK200128)-Engine (9RZ02024)-Generator

Sales Model: 3512B

TMI Load Date: 27Oct2016

Built Date: 27Oct2016

Tested Date: 27Oct2016

Shipped Date: 19Nov2016

Tested: LB

Plant: Lafayette test

Cell Number: 508

▲Caution Ordering Parts from TMI Order Invoice with Engineering Breakdown

Order Invoice with Engineering Breakdown information is provided by the orders system, once you click breakdown of a part, TMI pulls the information from the Snowflake Engineering Data Lake (EDL).

EDL is not a manufacturing bill of material system but a engineering part in effect system. TMI uses the built date and calls EDL to pull the part in effect at that time.

Recently, TMI added an as manufactured tab. This tab provides the consist as reported from the engine factory. This data is limited but growing for new manufactured engines.To see an example enter "AT400559"

As-Manufactured tab is refreshed with correct data. The history records as well as the current data with wrong details are deleted. From 28th march 2019, TMI is maintaining only current data which possesses correct details.

To validate you are ordering a correct part, TMI encourages you to contact Morton Parts. 800-566-7782 or <https://pscrmwforms.cat.com/GDSNquickentry.aspx>

The below option will email full breakdown of the serial number

Excel **PDF**

Engine Emissions Data

For Emissions / Certification feedback and questions, please submit a ticket via our ERC Request portal [Click here to be directed to ERC's new customer request portal.](#) ***Notice this portal is not CWS authenticated, a one time sign up for JIRA will be required.***

This emission data is Caterpillar's best estimate for this rating. If actual emissions are required then an emission test needs to be run on your engine.

Serial Number (Machine)	
Serial Number (Engine)	PK200128
Sales Model	3512B
Regulatory Build Date	27-OCT-2016
As Shipped Data	
Engine Arrangement Number	5067561
Certification Arrangement	
Test Spec Number	4182928
Regulatory Status	NON-CERTIFIED ENGINE / US Export / China Export
Labeled Model Year	2016
As-Shipped Flash File	4358656
CORR FL Power at RPM	1,509 HP (1,125.0 KW)1200 RPM
Advertised Power	1,101.0 kw 1,200RPM
Total Displacement	51.8 L
