Disclaimer / Confidentiality Statement

This document is strictly private and confidential, and is being submitted for the sole purpose of responding to an expression of interest (March, 2025) related to the sale of rig equipment being offered by VIDA BEM, LLC. This document contains information that is proprietary and confidential ("Confidential Information") and is being provided for the sole purpose of evaluating this equipment package. Confidential Information includes information relating to the goods, equipment, and/ or services referred to in the proposal, but is not limited to, specifications, designs, drawings, product data, manufacturing processes, installation methods, price lists, technical information, visually transmitted information, trade secrets, software, firmware, and other confidential or proprietary information forming part of this document.

By continuing past this notice to review you agree to keep this information confidential and agree to limit disclosure of the information to only those authorized employees and representatives who need to know the information in order to evaluate this equipment package.

In addition, you agree not to; (i) disclose the information contained in this document to any third parties; (ii) use the information for any purpose other than to evaluate the rig equipment acquisition; (iii) use the information in any other way that might be prejudicial or detrimental to VIDA BEM, LLC and (iv) copy, distribute or reproduce the contents of the proposal information in whole or part.

In the event this equipment package is not considered any further and / or your client is not considered for the award letter, you agree to destroy this document in digital and hard copy forms, and all complete or partial replications or excerpts taken from it, or to return the same to VIDA BEM, LLC.

The equipment owner owns its patents, copyrights, commercial secrets, technology, knowledge, information of any nature ("Intellectual Property"), revealed in connection with the subject matter of this proposal and nothing contained in the same shall be considered as an authorization or transference or license or property rights or rights of any nature of a party towards the other in any matter related with Intellectual Property.

All operating and controls systems mentioned in this document are used for identification purposes only and may be trademarks of their respective owners.

This equipment package is subject to a mutually agreed definitive agreement between our companies, and while the intent is to eventually negotiate and execute the same at a later date, it is expressly understood that this is an equipment description document only and no liability or obligation of any nature whatsoever is intended to be created hereunder.
