VIDA BEM

INVENTORY IS SUBJECT TO CHANGE WITHOUT NOTICE

This document is the confidential and proprietary property of VIDA BEM LLC. It may contain technical information, service descriptions, and commercial cost estimates pertaining to VIDA BEM products and services that are confidential. No part of this document may be reproduced, transmitted, or used for other than the designated purposes without prior permission of VIDA BEM LLC.

Disclaimer / Confidentiality Statement

This document is strictly private and confidential, and is being submitted for the sole purpose of responding to an expression of interest related to the sale of rig equipment being offered by VIDA BEM, LLC. This document contains information that is proprietary and confidential ("Confidential Information") and is being provided for the sole purpose of evaluating this equipment package. Confidential Information includes information relating to the goods, equipment, and/ or services referred to in the proposal, but is not limited to, specifications, designs, drawings, product data, manufacturing processes, installation methods, price lists, technical information, visually transmitted information, trade secrets, software, firmware, and other confidential or proprietary information forming part of this document.

By continuing past this notice to review you agree to keep this information confidential and agree to limit disclosure of the information to only those authorized employees and representatives who need to know the information in order to evaluate this equipment package.

In addition, you agree not to; (i) disclose the information contained in this document to any third parties; (ii) use the information for any purpose other than to evaluate the rig equipment acquisition; (iii) use the information in any other way that might be prejudicial or detrimental to VIDA BEM, LLC and (iv) copy, distribute or reproduce the contents of the proposal information in whole or part.

In the event this equipment package is not considered any further and / or your client is not considered for the award letter, you agree to destroy this document in digital and hard copy forms, and all complete or partial replications or excerpts taken from it, or to return the same to VIDA BEM, LLC.

The rig owner owns its patents, copyrights, commercial secrets, technology, knowledge, information of any nature ("Intellectual Property"), revealed in connection with the subject matter of this proposal and nothing contained in the same shall be considered as an authorization or transference or license or property rights or rights of any nature of a party towards the other in any matter related with Intellectual Property.

All operating and controls systems mentioned in this document are used for identification purposes only and may be trademarks of their respective owners.

This equipment package is subject to a mutually agreed definitive agreement between our companies, and while the intent is to eventually negotiate and execute the same at a later date, it is expressly understood that this is an equipment description document only and no liability or obligation of any nature whatsoever is intended to be created hereunder.

HISTORY

Manufacturer: AMC, Conroe, Texas

Year of Manufacture: 2013

Manufacturer: Drillmec rig design, Manufactured by AMC in Texas

Year of Last CAT IV: At manufacture 2013

Years of Service: 6.5 Yrs.

Only ever at the Training Facility, Primary role was for testing of products / technologies and used for training. The rig drilled 8 wells at the Training Facility only. All other work that the rig completed was over these wells i.e. tripping / out of wells for training / product development etc.

Year Removed from Service (Warm Stacked): June 2020, Rig Remained fully operational and maintained.

Year of Rig Down (Cold Stack): November 2024

Proof of funds and LOI must be submitted prior to inspection.

Inspection will be at buyer's expense.

SPECIFICATION AND EQUIPMENT LIST

| | |
|-----------------------------|------------------------------|
| RIG TYPE | Drillmec Explorer AC-VFD Rig |
| MANUFACTURER | AMC, Conroe, Texas |
| OPERATING | 2,300 HP |
| YEAR BUILT | 2013 |
| RATED DRILLING DEPTH | 20,000 ft |
| BASE FOOTPRINT | 152' X 24'-4" Base |

CROWN

| | |
|------------------------------------|-----------------------------|
| CROWN TYPE | Drillmec Inc. 1,000,000 lbs |
| CROWN SHEAVES | Six (6) X 60 Grooved 1-1/2" |
| DRILL LINE | 1-1/2" Drill Line |
| MAX RATING STATIC HOOK LOAD | 1,000,000 LBS |
| RATED CAPACITY | 583 Tons |
| DIMENSIONS | Crown Width 9 ft x 12 ft |

MAST

| | |
|--------------------------------------|------------------------|
| MANUFACTURER | Drillmec Inc. |
| MAST HEIGHT | 152 ft (triple) |
| GROSS NOMINAL CAPACITY | 1,000,000 lbs |
| API STATIC HOOK LOAD CAPACITY | 12 Line, 1,000,000 lbs |

SUB STRUCTURE

| | |
|----------------------------------------|------------------|
| HEIGHT | 30 ft Box on Box |
| CLEAR HEIGHT BELOW ROTARY BEAMS | |
| SETBACK LOAD | 600,000 lbs |
| ROTARY CAPACITY | 1,000,000 lbs |
| MAX. COMBINED LOAD | 1,000,000 lbs |
| DIMENSIONS | |

DRAWWORKS

| | |
|------------------|-----------------------------------------|
| TYPE | American Block DKS-2300A |
| DRIVEN | ELECTRIC SYSTEM |
| HP RATING | 2300 |
| BRAKE | Airflex Disc Brake - DBBS 8110 |
| CAPACITY | 2300 hp Drawworks, 872 kips on 12 lines |
| DRUM SIZE | |
