

Rig 2

2018 Oil Works Inc. 1500 HP

YOM: 2018

This document is the confidential and proprietary property of VIDA BEM LLC. It may contain technical information, service descriptions, and commercial cost estimates pertaining to VIDA BEM products and services that are confidential. No part of this document may be reproduced, transmitted, or used for other than the designated purposes without prior permission of VIDA BEM LLC.

Disclaimer / Confidentiality Statement

This document is strictly private and confidential, and is being submitted for the sole purpose of responding to an expression of interest (February, 2025) related to the sale of rig equipment being offered by VIDA BEM, LLC. This document contains information that is proprietary and confidential (“Confidential Information”) and is being provided for the sole purpose of evaluating this equipment package. Confidential Information includes information relating to the goods, equipment, and/ or services referred to in the proposal, but is not limited to, specifications, designs, drawings, product data, manufacturing processes, installation methods, price lists, technical information, visually transmitted information, trade secrets, software, firmware, and other confidential or proprietary information forming part of this document.

By continuing past this notice to review you agree to keep this information confidential and agree to limit disclosure of the information to only those authorized employees and representatives who need to know the information in order to evaluate this equipment package.

In addition, you agree not to; (i) disclose the information contained in this document to any third parties; (ii) use the information for any purpose other than to evaluate the rig equipment acquisition; (iii) use the information in any other way that might be prejudicial or detrimental to VIDA BEM, LLC and (iv) copy, distribute or reproduce the contents of the proposal information in whole or part.

In the event this equipment package is not considered any further and / or your client is not considered for the award letter, you agree to destroy this document in digital and hard copy forms, and all complete or partial replications or excerpts taken from it, or to return the same to VIDA BEM, LLC.

The rig owner owns its patents, copyrights, commercial secrets, technology, knowledge, information of any nature (“Intellectual Property”), revealed in connection with the subject matter of this proposal and nothing contained in the same shall be considered as an authorization or transference or license or property rights or rights of any nature of a party towards the other in any matter related with Intellectual Property.

All operating and controls systems mentioned in this document are used for identification purposes only and may be trademarks of their respective owners.

This equipment package is subject to a mutually agreed definitive agreement between our companies, and while the intent is to eventually negotiate and execute the same at a later date, it is expressly understood that this is an equipment description document only and no liability or obligation of any nature whatsoever is intended to be created hereunder.

2018 RIG 2 1,500 HP

DRAWWORKS

National P-110UE

Input Power: 1,500 hp

Main Brake: 1,500 hp Baylor Break 6032 (Dynomatic) Aux

Parking Brakes: OWI band brake system

SUBSTRUCTURE

OWI Box on Box Floor Height: 28'

Clear Height (beneath rotary beams): 23' Rotary Capacity: 1,000,000 lbs.

Max Pipe Setback: 750,000 lbs.

WALKING SYSTEM

OWI Stealth Stompers

ROTARY TABLE

Gardner Denver 27.5

HYDRAULIC CATWALK

Forum Pipe Wrangler

MAST

142' OWI

Drill Line: 1-3/8"

Racking Capacity: 22,000' of 5 1/2" DP

TOP DRIVE

CanRig 1250 AC 500 Ton Max Speed: 225 rpm Continuous Drill Torque: 65,300 ft-lbs. Max Torque (Make/Break): 95,000/ 128,800 ft-lbs. (2) 400 hp AC induction motor & drive system w/ PLC Integral 525 ton big shorty 5x42 block assembly

BLOCK

IDECO, 500 Ton
