

Group	Area	Value
Range of validity	Product lines	GS
	Number of units	5 units
Perfecting	Perfecting unit II	Without perfecting unit II
	Perfecting unit III	With perfecting unit III
Type of unit	Unit I	Offset unit unit I
	Unit II	Offset unit unit II
	Unit III	Offset unit unit III
	Unit IV	Offset unit unit IV
	Unit V	Offset unit unit V
Dampening system	Type of dampening system	Alcolor dampening system
	Intermediate roller control	Pneumatically
	Water pan roller	Semi-crowning (water pan roller)
Dampening solution preparation	Dampening solution circulation and control	M.G.E. ECO
	Mixing devices	Without mixing devices
Printing unit control	CPC 1 control	ClassicCenter
	Standard daylight lamp	With standard daylight lamp
	Sample sheet holder	With sample sheet holder
	QualityProof	Without
Inking unit	Temperature control	Preparation for temperature control
	Program-controlled washup device	With washup device
	Preparation for temperature control	Preparation for temperature control, version
Blanket cylinder	Blanket washup device	With blanket washup device
Plate cylinder	Plate punch	With plate punch
	Bending device	With bending device
Feeder	Pile feeder	Pile feeder non-stop
Feeder extra accessory	Additional double sheet detection	Without
	Pull lay control ZMK	Without ZMK
	Interface adapter	With
Delivery	Delivery	Normal version
	Type of pile	High pile
	Non-stop delivery	Rack
	Dryer	HD-IR
Delivery extra accessory	Sheet brake	Suction drums
	Sheet decurler	With sheet decurler
	Gripper operating cam	Motor-controlled
Powder spray devices	Powder spray devices	GRAFIX Alphatronic 200
	Ionization	Without ionisation
Antistatic device	Makes	Without makes
Electrical equipment	Frequency (Hz)	60 Hertz
	Press voltage	230 volts
	Cable length control console	12.5 m
	Cable length to the control box	Standard
	Mains voltage (Volt)	115
Country version	Areas	USA
	Plate languages	English
	Documentation language customer	English
	Documentation language fitter	English
Central devices	Press spacer plate	With spacer plates
Packaging	Type of packaging	Type of packaging cases
	Wood treatment	Without wood treatment
	Container	Without container
	Add. corrosion protection with slushing	Without slushing oil
