CARDBOARD | CLOTH | FOAM | GLASS | METAL | PAPER | PLASTIC | RUBBER | WOOD

JETSTAMP 1025

With the click of a button, the 1025 can print up to a 1" x 3 1/2" imprint on both absorbent and non-absorbent surfaces. 1D & 2D barcodes, graphics, logos, & alphanumerics – all accomplished in about 1 second.

This unit is perfect for food & beverage, lumber, cannabis, contract packaging, supply chain, logistics, and countless other industry applications. Compliance has never been easier with this zero-maintenance cartridge based system and Reiner's industry unique self-traversing printhead. Printing on a variety of sizes and shapes is effortless, add in single and multi-line imprints, ERP/Database connectivity, and up to a 1" print height and you've become unstoppable.

**Powerful. Versatile.
Easy to Use.**
