

Vieta frontale pos 5, 6, 7, 12

Vieta frontale pos 1, 2, 3, 11

Vieta laterale pos 2, 6, 7, 8, 9, 10, 11

Vieta laterale pos 1, 2, 3, 4, 5, 12

Micro sicurezza porta	Fotocellula di sicurezza con muting
Door safety microswitch	Safety fotoeye with muting
	Fotocellula di sicurezza senza muting
	Safety fotoeye without muting

Attacco aria compressa (p=6 bar)
Compressed air connection (pressure=6 bar)
Attacco bocca aspirazione (v min=28 m/s)
Extraction hood connection (Min Air s=28 m/s)
Connessione elettrica (3F+N+T)
Electric power supply connection (3P+N+E)

Air raceway drop to floor or electrical cabinets (at customer charge)	Calate da canaline aeree a terra o a quadri elettrici (a carico cliente)
Air cable raceway for cables connection between M/C and electrical cabinets	Canaline aeree per passaggio cavi dalle macchine ai quadri elettrici
Floor cable raceway for cables connection between M/C and electrical cabinets	Canaline a terra per passaggio cavi dalle macchine ai quadri elettrici
Under-floor cable raceway for cables connection between M/C and electrical cabinets	Canaline interrante per passaggio cavi dalle macchine ai quadri elettrici

Note 01: cable raceway position may change during installation
 Nota 01: la posizione delle canaline puo' variare durante il montaggio
