“Time is Money” - Your time is valuable, and the purchase you are financing is making and/or saving you money. Therefore, making the finance process as fast and easy as possible is important. With Madison, review of your application to issuing a purchase order for the equipment or vehicle(s) can happen in the same business day.

What Our Customers Say About Us

Our customers are the reason we are in business and it is our goal to deliver best-in-class customer service.

Orbital Energy Services Corp. (Lessee)

"Friendly, considerate, timely and professional are a few of the reasons we financed several of our major equipment purchases with Madison Capital. They have a simple yet advantageous deal structure that makes our acquisitions easy and financially prudent. We will continue to incorporate Madison Capital as part of our financing partners."

– *Roy Watson, Chief Financial Officer*

Association of Maryland Pilots (Lessee)

"I have used Madison Capital for several years for my company's financing needs. They always have very competitive financing rates and their customer service is second to none. The Madison team makes you feel like family."

– *David Rachuba, Association of MD Pilots*

Phoenix Leasing Systems (Broker)

"I have worked with Madison capital for many years and their flexibility with structuring financing programs for my clients has made them a key to my company's success. I have complete confidence that they will always assist my customers the way I would! They are a great group of people to work with and we have formed a strong partnership."

– *Jim Anders, Owner*

Pro Dental Sales and Services (Vendor)

"We have been working with Madison Capital for a long period of time and they are the best. Their response is very fast and they have excellent customer service. We highly recommend them."
