100/42 MIXER GRINDER

The Butcher Boy 100, 200 & 250 Dual Mixer Grinders are used where ease of operation, quantity production and dependability is required. Butcher Boy produce the only Mixer Grinder range that incorporate a sliding door between the mixing tub and grinding bowl to yield a thorough Mix before the product enters the Grinding Bowl. These machines are able to be connected to a primary grinder to eliminate unnecessary handling of product and increase production.
