Features

With unprecedented low and high positioning heights, the Ritter 222 has a manual back mechanism, a built-in pillow, hideaway stirrups that lock in one of four lateral positions, foot extension shelf to expand the table length, paper roll holder hidden under headrest, storage for four 21"x3.5" diameter paper rolls, polystyrene treatment pan, foot control, Exam Assistant Drawer System™ and leveling screws.

The Ritter 222's unique arm system accessory gives your patients a stable platform to assist them in getting onto the table.
