20% - 50% on podiatry chairs  
by buying refurbished

### Features

The Midmark 622 features new technology and a new look. They comply with ADA guidelines and serve healthcare professionals domestically and globally. The incredible 18-inch low height keeps your patient's feet on the floor, providing accessibility and safety...especially for elderly, disabled and pregnant patients. The Midmark 622 helps your practice run smoothly. The power control enables you to get your patient onto and off the table effortlessly, and allows precise and smooth positioning in just seconds. More importantly, the Midmark 622 helps you build a better reputation for your practice
