

STANDARD TRIO TUFT MOP DUST POCKET 40 CM

Microfibre, cotton and polyester floor mop, woven with knotted tufting system, internal looped end and external cut end, polyester support with pockets.

Order no. 9.212-005.0

Technical data

Type of flooring		Hard floors / Resilient floors
Dirt level		Low to middle
Textile usage		Reusable textiles
Working width	cm	40
Textile attachment		Pockets
Textile material		PET / cotton / microfibre
Washing temperature	°C	max. 95
Washing recommendation	°C	60
Quantity	Piece(s)	1
Weight per product / Weight per m²	kg	0.2
Package weight	kg	0.2
Dimensions (L × W)	mm	400 / 140
Dimensions, packaged	mm	400 × 140 × 10

Application

Spray method

The cleaning water is applied to the floor directly in front of the mop, then the surface is wiped.

Preconditioned method

For optimum results, dampen the mop with cleaning water amounting to 180 % of its own dead weight.

Bucket method

For optimal moisture and a single-step wiping process, dip the mop fully into the cleaning water, allow it to absorb as much water as possible and then wring it out in the press.

Properties

- Efficient: the tufted loop system ensures direct fastening of the yarn to the backing layer and guarantees a long life of the mop
- Increased resistance: the double seams at the areas with the greatest stress ensure a longer life in the case of frequent use and washing
- High absorption capacity: the narrow structure of the yarn ensures a high area performance and saves water and detergent
- Versatile: the combination of different fibres allows various operations to be performed with a single mop
- Powerful: the cleaning solution is evenly distributed on the floor which makes cleaning easier
- Simple: quick and easy change of the mop

Washing instructions

- Do not wash with other textiles
- Do not use bleach, softener or strongly alkaline detergents
- Washing or drying at high temperatures can damage the fibres
- Thoroughly rinse the textile before washing it
- Please do not dry in the dryer
