

POWER BRUSH SERIES

CLEAN MORE THAN SNOW.

The Ariens® Power Brush is built to keep paved surfaces clean through every season. Snow, slush, leaves, sand and other debris are swept aside with a powerful rotating brush and operator-controlled brush angle. With rugged construction, easy maneuverability and year-round versatility, it's ready to work long after winter ends.

Sidewalks, parking lots, walkways,
I can use this everywhere that
needs a quick clearing before
all the students arrive.

— Frank K.
New York, NY

ALL-SEASON USE

Clear snow and slush in winter, then tackle leaves, sand and other debris throughout the year.

LED HEADLIGHT

Added lighting improves visibility for early morning, nighttime and low-light clearing.

CLEAN TO PAVEMENT

The rotating brush sweeps close to the surface for a clean, finished result.

ALL-STEEL CONSTRUCTION

Rugged all-steel construction is built for dependable performance season after season.

BRUSH ANGLE

Operator-controlled brush positioning lets you direct debris up to 20 degrees to either side.
