- VARIABLE SCREEN SIZE
- LOAD SENSING
- REPLACABLE WEAR PARTS
- EASILY SERVICED
- LOCKING CONTROL COMPARTMENTS
- SLIDING TOW HITCH RETRACTS FOR EASY HAND LOADING

Since the founding of Concept Products Corporation in 1985 with the introduction of the AIR CURTAIN DESTRUCTOR, a portable incinerator for the reduction of land clearing debris, Concept Products Corporation has been committed to providing cost effective solutions to waste reduction. In 1990 Concept Products Corporation developed their first shredder, the SHRED-ALL D7200, continuing their company mission of providing cost effective solutions for the disposal of waste and introducing alternatives to contributing to our already over flowing landfills. Concept Products Corporation is now proud to introduce our second generation SHRED-ALL, the D5600 Wood Series. Designed specifically to process wood waste and facilitate the recycling of wood waste, the D5600 continues our commitment to producing portable, efficient and economical solutions to waste reduction and recycling.

SPECIFICATIONS

ENGINE

Model	John Deere 6068T
Horsepower	170 hp
Drive	Belt
Safety Shutdown	Engine Oil Pressure
	Engine Oil Temperature
	Hydraulic Oil Temperature

CAPACITIES

Fuel (Aluminum tank)	50 gal. (10+ hours)
Hydraulic Oil (Aluminum tank) ...	35 gal.

INFEED SYSTEM

Load sensing infeed system	
Conveyor Drive	Hydraulic
Infeed Roller Drive	Hydraulic
Infeed Roller Diameter	22 inches
Infeed Hopper	open ended for hand loading
Length	10 feet
Width	56 inches
End Loading Height	3 feet 10 inches
Side Loading Height	5 feet 1 inch

CUTTING DRUM

Drum Width	56 inches
Cutting Teeth	56 reversible teeth
Screen	3"(std.), 2"(opt.), 1.5"(opt.)

DISCHARGE CONVEYOR

Length	12 feet
Width	41 inches
Drive	Hydraulic
Magnetic Head Pulley	Optional

DIMENSIONS

Length	19 feet 5 inches
Width	7 feet 6 inches
Height	8 feet 11 inches
Shipping Length	15 feet 5 inches
	(sliding tow hitch retracted)
Weight (with std. screen).....	12,025 pounds
	(varies based on options)

TOWING

Jacks	2 - Manual
Lights	D.O.T. Approved
Brakes	Electric

SAFETY

Emergency Shut Off	2 - one each side of infeed hopper
Operator Protection	Debris Screen to protect operator from flying debris while hand loading
Warnings	Bilingual warning notices

Concept Products Corporation reserves the right to change any and all specifications at any time without notice.
