THE NEW

## SCREEN MOBILE 4400

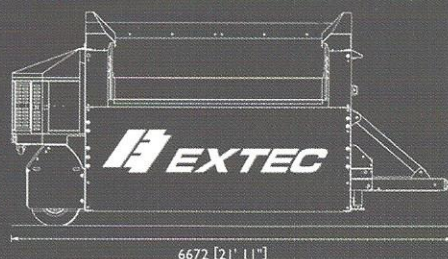

Extec have developed this machine to supply the quarrying and recycling industries with a robust low maintenance highly productive screening unit. The Screen Mobile combines virtual indestructibility with simple operation and high screening efficiency. Easily towed by standard dump trucks makes it a multi-purpose screening system for the large quarry or the smaller construction or landscaping operation.

- World-renowned double deck Extec vibrating grid gives high production and high screening efficiency.
- Fingers can be fitted to process C&D or waste.
- Low profile allows loading with backhoe or mini excavator.
- Large stockpile of fines under grid.
- Silent operation for built-up areas.
- Optional King Pin or Pindle Hitch
